WOLDS VILLAGES WI

Ladies, a warm welcome awaits you on Thursday 2nd July at 7pm in North Dalton Village Hall. The speaker this month is Sarah Maltby from Walking the Wolds.

MOTH RECORDING

The North and East Yorkshire Ecological Centre will be carrying out occasional moth recording in the churchyard over the summer. A lit moth trap will be used overnight, so do not worry if you see a light, there is no need to report an alien landing!

CONTACT

Huggate News is produced by Jenny Zarek and Teresa Purdy. We are grateful to those who assist with distribution in the village; Huggate News is not currently being delivered to outlying addresses but if you would like to receive future editions by email to ensure receipt, please send us your email address. BOOK LAUNCH

A History of Huggate Church

by Dr. Ruth Beckett

Friday 10th July 7.30 pm
in St Mary's Church

Pimms, nibbles,
a brief talk about some of the fascinating "I've never noticed that before" features,
and the first opportunity to buy the magnificent full colour illustrated story of our church (£10)

Historic England places Huggate Church in the top 2% of listed buildings in the country:

"St Mary's church is in the top 2% of buildings in the country listed for its exceptional historic and architectural interest. Particularly special are the 12th century nave and north and south arcades. The remarkable survival of the 12th century decorative and carved stone is the reason for the Grade 1 listing."

PARISH COUNCIL NEWS

We welcome **Peter Eavers** as a new councillor. We are looking forward to working with Peter in his new role.

New Official Council Website and Email Addresses

We're pleased to announce the launch of the new official website for Huggate Parish Council: **huggate-pc.gov.uk**.

The site provides a central place for local news, council updates, meeting information, and community resources. It has been designed to make it easier for residents to stay informed and access important local services.

We invite everyone in the parish to visit the site, explore its features, and check back regularly for the latest updates.

We have also moved to new official gov.uk **email addresses** for council business. This change helps strengthen security, improves trust in our communications, and ensures that official correspondence is clearly identifiable as coming from the council. The use of gov.uk domains is recommended for public bodies and provides additional safeguards and authenticity for government communications.

From today, please use our new email addresses when contacting the council:

- **Clerk:** clerk@huggate-pc.gov.uk
- **Councillors:** c.myers@huggate-pc.gov.uk, j.thorpe@huggate-pc.gov.uk, v.knocker@huggate-pc.gov.uk, k.ashurst@huggate-pc.gov.uk, d.evans@huggate-pc.gov.uk, d.jones@huggate-pc.gov.uk and p.eavers@huggate-pc.gov.uk

Any previous email addresses will remain available for a transitional period, but we encourage everyone to update their records and use the new gov.uk addresses asap.

Our village AutoSpeedWatch camera.

The new AutoSpeedWatch camera has been installed to help improve road safety and encourage drivers to respect the speed limit through our village. Its purpose is to reduce speeding, protect residents, and make our roads safer for everyone. We thank the community for supporting this important road-safety initiative.

Our new **Wold Rangers bench and Information Board** is located at the entrance to the car park. We hope you enjoy this splendid new addition to our village.
